Cambridge Prep Academy is seeking your participation in our banner sponsorship! This fundraiser is going to look a little different this year – allowing the opportunity for parents to highlight their student(s) AND local business to promote themselves.

Parents – you’ve already made one of the greatest investments possible, choosing to invest in your child’s education. A banner is another way to celebrate that investment while also helping to create more opportunities for our students. Your banner allows you to proudly highlight your child and show them you love and support them. Let your child see their name, accomplishments, and your support proudly displayed on campus!

Businesses - through this sponsorship, you have the opportunity to invest in local student's education while also promoting your services! As an active business in our local community, we're sure you are interested in ways to improve the lives and education of our young people. We feel the same way! It is for this reason that we opened as a school nearly 15 years ago and continue to look for ways to increase student opportunities.

Some of the projects we are currently pursuing (and plan to complete over the next several years):

- Barn style venue for school and community events including a cafeteria
- Gymnasium and pool complex
- Team sports
- Development of our property off of SR-47.
- Club projects including gardening, farming, journalism, drama and music productions, and robotics.

Over the past few years, in part thanks to sponsorships from our local businesses, we have been able to:

- Clear the wooded property, install perimeter fencing, and build a bridge over the pond
- Install playground equipment as well as an outdoor restroom
- Provide students with financial hardship a partial scholarship
- Update classroom manipulatives and learning resources
- Grow and develop our farm to include goats, pigs, chickens, and ducks

By sponsoring a banner, you are directly contributing to the above opportunities. We sincerely thank you for your consideration!

With gratitude,

Cambridge Prep Academy, a non-profit organization

Order form on reverse side

Orders with payment are due by Friday, August 25th. Banners will be hung on our fencing facing our drop-off and pick-up location for all students and families to see. Higher level sponsorships will receive priority placement. Banners will remain on display until the following year.

Sponsoring Business:

Business Name: _____

Contact Person Name: _____

Business Address: _____
